### PLAYING CONDITIONS:

The Home Team is listed first or on top in the schedule. Both teams shall occupy the same side of the field, as identified by the Tournament Director at each complex. All game spectators, including parents and unrostered visitors for both teams will occupy the opposite side of the field. The Home Team chooses the goal to attack and Visitors Team kicks off. In case of inclement weather, the Tournament Director and/or Site Coordinator will determine if a game is to be played. Once the game has started, the decision rests with the referee. If any games are canceled, it is up to the coaches of the teams to check with the Site Coordinator, Communications Director or Tournament Director for rescheduling information. Games shall be considered complete if one half of the game has elapsed. The score at the stoppage of play will be the final score. If one half has not elapsed and the game is stopped, the game will be rescheduled if it could affect the outcome of the tournament and if conditions permit as determined by the Tournament Director.

### UNIFORMS:

As a convenience to both teams, it is recommended that the home team wears their "colored" uniform and the visitors wear white. Should there be a conflict in uniform colors; the home team will be required to change uniforms. Each player's uniform should have an easily identifiable number. Teams without two sets of uniforms will be allowed to use "pennies" to provide a unique identification.
